

Case Study : Purely Shutters

background

- > Purely Shutters is a start up company that sells and fits shutters and blinds
- > The aim was to launch a website that showed the range available, gave a quick quote, had the option to order a survey or request a brochure.
- > The launch of the website was supported by adverts in relevant magazines and leaflets placed into post boxes.

our response

- > We started by designing a logo and corporate stationary

website

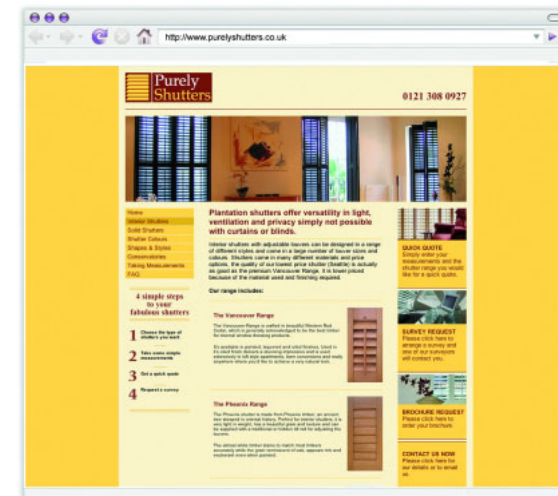

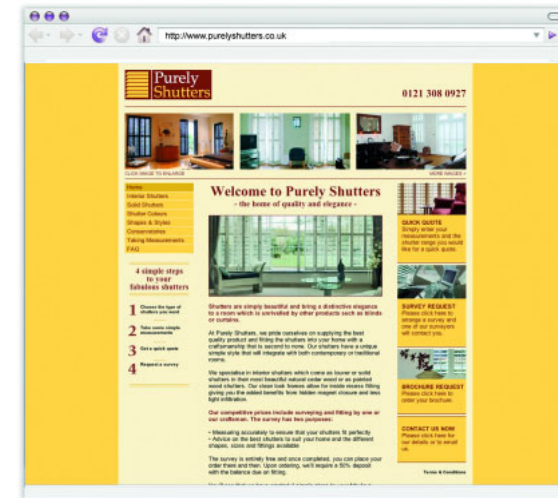

Requirement

A website that showed the range available, gave a quick quote, had the option to order a survey or request a brochure.

Solution

A XHTML solution using CSS, compliant with W3C standards with a mySQL database.
