

Case Study : Sharon Gruber Events

background

- > Sharon Gruber Events is a new start up event organising company
- > The aim was give the company a corporate identity and a web presence with a simple website

our response

- > We designed a logo, corporate stationary and print ads

Event Management & Party Planning

Whatever your requirements – from advice on organising your own simcha, help with a particular aspect, or a comprehensive planning and management package – we work closely with you to create your memorable event.

With almost 10 years experience in planning, managing and executing private, corporate and fundraising events, Sharon's attention to detail and refreshing service will ensure a smooth-running event, impeccably planned from start to finish.

For an initial consultation, please contact Sharon on:
